# 2025 Business Partner Program

## Enroll Today as an LOC Business Partner

2025 is a special year for the League of Oregon Cities — it marks the League's 100th anniversary! To commemorate this milestone, we've created a unique opportunity for our legacy partners: recognition as a Centennial Partner! See the page 3 for more information.

Enrolling as a 2025 LOC Business Partner allows your organization to communicate directly with decision makers in the 241 cities across Oregon.

Our primary objective at the LOC is to help city governments meet the needs of citizens. Your participation in the LOC Business Partner program will help us provide effective training and serve as the collective voice for our member cities.

Please take a few moments to review the enclosed materials. To become an LOC Business Partner, **please email me** at [ktoon@orcities.org](mailto:ktoon@orcities.org) and I will send you documents for our online enrollment.

The deadline to enroll as a 2025 LOC Business Partner is **May 30, 2025**.

If you have any questions, please feel free to contact me directly. We look forward to working with you in support of cities.

Sincerely,
